WEEKLY NEWSLETTER

SPRING TERM

DATE: 23RD FEBRUARY 2024

A NOTE FROM THE HEADTEACHER

Dear Families,

Welcome back! I hope that you all had a restful half term week and managed to get out and enjoy some of the lighter days - spring is certainly on the way. It has been wonderful to see the children back this week, full of energy and ready to learn.

As you will know (if you are reading this!), we have moved to a new school communication management system called Arbor. This allows us to integrate our school communications, payments, parent's evening bookings, attendance and assessment data in one place making it easier to communicate and share things with you. I would like to thank Mrs Johnstone and the whole office team for their work behind the scenes with this. I hope that you have found the new system easy to use so far, if you have any questions or problems using Arbor, please contact the school office who will be really happy to help you.

Anyone picking up from school this week would have noticed the two lovely shade sails which have been installed on the playground. These sails have been organised by the PTFA with the support of local companies and we are very grateful to them for all the work they put in to get them organised. Although it's not quite sunny enough for them yet, we are looking forward to enjoying the benefits when the warmer weather arrives.

We have a busy half term coming up, so please do keep an eye on the dates sections of the newsletter each week.

Have a lovely weekend.

Best wishes,

Mrs Marianne McDonnell

Headteacher

Marvellous Maths

Following a review of our Maths provision and how we can best support children to develop the key skills that they need we are excited to be introducing Numbots and Times Tables Rock Stars into school after half term.

We will be sending parent information and log on details home but for now, please do have a look at these introductory videos.
