School Keeping You Safe

Our Child-Friendly Child Protection Policy

At Send, it is every adult's job to make sure that you are safe, healthy and happy. All the adults know that this important job has to be done well, and we all agree to work in the right way to help you. We teach you how to recognise risks in different situations and how to protect yourselves and stay safe. We will talk and listen to you when you have problems or worries.

How will we try to protect you?

- We want to make sure our school is a safe place for you to learn and play
- We want to make sure that you are safe at home
- We want you to know where to get help if you are worried or unhappy about something
- We will listen to you and find out what is happening

Don't keep it a secret if someone is:

- Bullying you
- Saying funny things to you that you do not like or which upset you
- Touching you
- Trying to give you tablets, cigarettes, drugs or alcohol
- Hitting you or hurting you
- Taking your things
- Sending unkind messages on the internet or to your phone

If you need to talk – we will listen!

- You can talk to any adult in school and they will help you
- You can write a note and put it in the Worry Box or Worry monster in your classroom
- You can tell a friend and ask them to come with you to tell an adult

We have some special adults who have a big job of keeping you safe. You can talk to any of them too.

These adults are called Designated Safeguarding Leads, or DSLs for short.

Our DSLs are:

Mrs McDonnell

Mrs Ward

Mrs Thomson

Ms Wilson

Mrs Harwood

Ms Johnstone

Mrs Brown

Will you keep my worries a secret?

- We can't promise to keep a secret, but we won't tell other people about your worries unless we have to.
- Some problems are too big for us to deal with in school and might need us to speak to other people who can help.
- We won't tell anyone your problems unless they can help, and we will always tell you who we are talking to and why.

Worried about a friend?

- Follow this advice to help a friend. It is great to keep our friends s:

Who else can help?

You can call Childline for free.

This won't show up on your phone bill.
