Our Vision

Everyone is offered a warm welcome here.

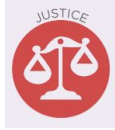

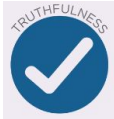

We serve the children, staff, parents and our community to the best of our ability, every day.

We have high expectations for our children.

We celebrate uniqueness by developing the whole person and helping every child to achieve their God given potential.

We love one another as we are loved by God.

Attendance

The Department for Education introduced changes to attendance guidance that became statutory in August 2024. These changes must be made by all schools and Local Authorities across the country, with the aim of ensuring consistent approaches.

If your child is ill:

- Parents must let the school office as soon as possible and no later than 9am
- The school must decide whether to authorise the absence on the grounds of illness. This means parents need to give us details with the absence e.g. temperature, vomiting.
- If the reason given for absence is “they are poorly” **we cannot authorise your child’s absence.**

If a child is absent with no explanation given then we are expected to carry out a home visit and see the child as soon as possible and before the 3rd school day of absence. A member of our school DSL team will carry out this home visit.

If you need to take your child out of school during term time, the absence can only be authorised if it is considered that there are exceptional circumstances. Since 2013, schools have **not been allowed to authorise requests for children to be taken out of school for a holiday during term time unless there are truly exceptional circumstances**, unfortunately the cost of the holiday is not classed as an exceptional reason.

Parents can now be given a penalty notice or prosecution for 2 reasons:

- Any period of unauthorised holiday
- Cumulative Irregular attendance (10 sessions of unauthorised leave off for any reason during any 10 week period. We have 2 sessions a day and late arrivals after 9.15am will count as an unauthorised absence for the morning session)

Issuing a penalty notice is not something which we would do lightly, especially as the school doesn't receive a penny of the fine, but **it is now the expectation that these will be used more frequently by all schools**. These will be increasing from September to £160 per child, per parent (reduced to £80 for prompt payment).

Homework

Children are expected to read with an adult at home 4 times a week for 15 minutes.

Please ensure you write in your child's diary as we will be checking.

Children are also asked to 10 minutes 3 times each week on times table rockstars.

This will help prepare them for the multiplication check at the end of the year.

Times table check

The multiplication tables check (MTC) is statutory for all year 4 pupils registered at state-funded maintained schools, special schools or academies, including free schools, in England.

The purpose of the MTC is to determine whether pupils can recall their times tables fluently, which is essential for future success in mathematics. It will help schools to identify pupils who have not yet mastered their times tables, so that additional support can be provided.

The Multiplication Times Tables Check is an online test where the pupils are asked 25 questions on times tables 2 to 12. For every question, you have 6 seconds to answer, and in between the questions, there is a 3-second rest.
