

Mollie the School Dog

Hi, I am Mollie the
School Dog.

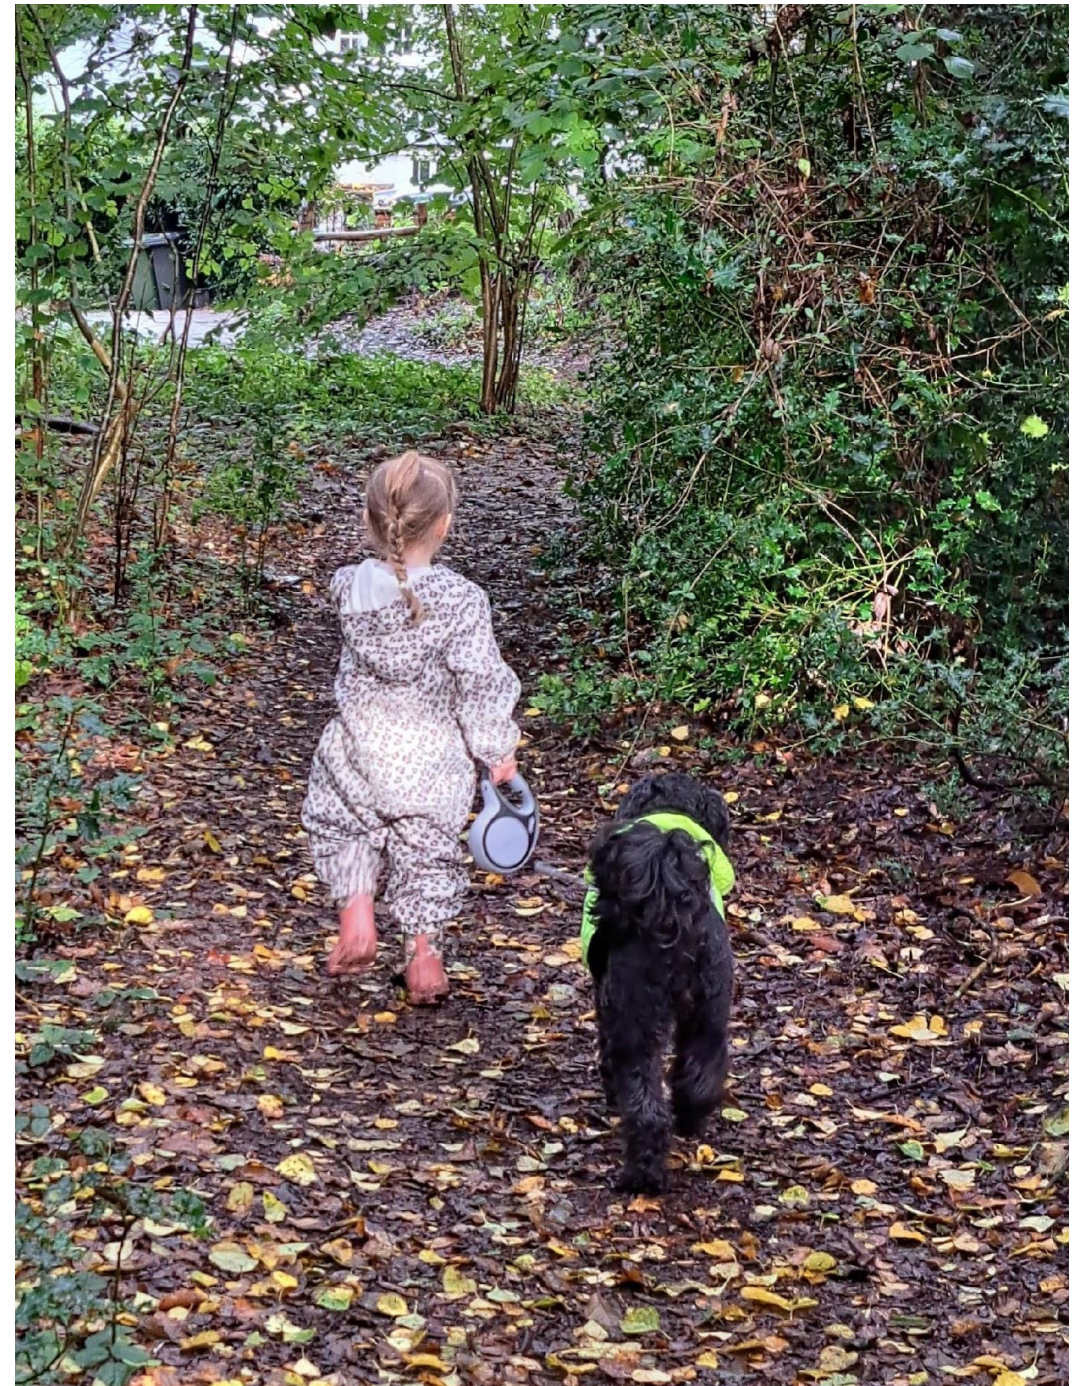

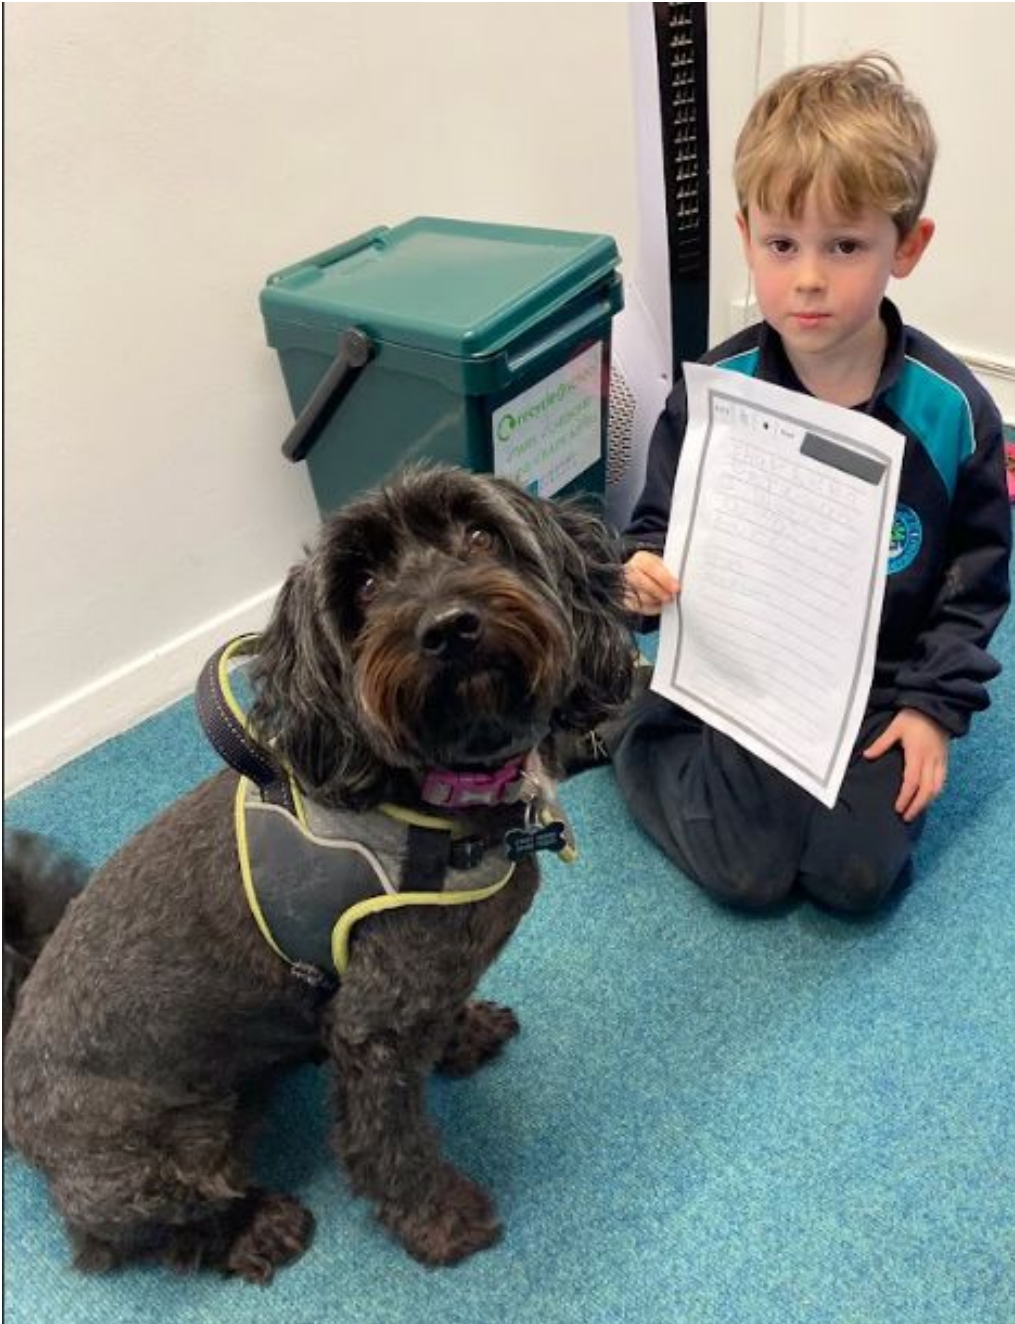

A School Dog is a dog who lives with a teacher but comes to school to work with children and be part of the school family.

School Dogs help to teach children non-violence, empathy, respect, kindness, love, responsibility, friendship and trust.

I live with Mrs Ward and
will come to school on
Wednesdays and Fridays.

I love going for walks, having strokes on my back and running around.

I enjoy listening to children read a book.

I love to look at that good learning that children have done in books or on the iPad.

I do not like lots of people running towards me, people crowding around me or people screaming at me.

When I am tired and need a rest, I will have a sleep on my bed in Mrs Ward's office.

I will need to go outside for walks during the day so that I can go to the toilet and get some fresh air.

I will have some Year 5 and 6 children to help me by being my well-being walkers.

A lot of people really like dogs,
but some people don't like them
at all.

This is ok.

We all like different things

Some people might feel scared of dogs. They think they are too bouncy and they worry that they might bite.

I will only be allowed to come to school if I am very well-behaved and always do what Mrs Ward tells me to do.

I will be on a lead when I move around school so you do not need to be worried that I will come too close.

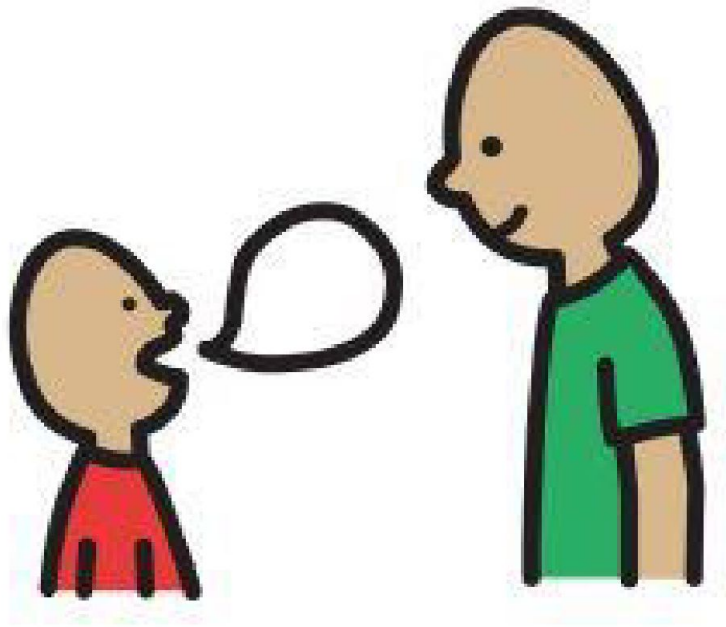

I will not be allowed to come to school if I jump up at people.

I will not be allowed to come to school if I bark a lot.

I will not be allowed to come to school if I bite anyone.

If you do not want to go near me, you do not have to.

Please tell an adult in school or at home, if you do not want me to go near me.

No one will be cross that you don't want to be near me. It is ok.

**I am looking forward to seeing you all around
school!**
